Brian Pallasch  
Managing Director for Government Relations & Infrastructure Initiatives  
American Society of Civil Engineers  
Pallasch has been responsible for managing the ASCE’s government relations department, including federal and state legislative affairs, regulatory affairs, grassroots and policy development, since joining the staff in 1999. Since 2008, Pallasch has been responsible for managing ASCE’s strategic initiatives regarding infrastructure including development of the Report for America’s Infrastructure. Additionally, Pallasch serves as the co-chair of the Water Resources Coalition. Prior to joining the staff of ASCE, Pallasch served as the director of government relations for the American Subcontractors Association in Alexandria, Virginia. Pallasch holds a Master of Arts degree in international affairs from the American University, and a Bachelor of Arts degree in journalism and international affairs from the University of Southern California.
