Section 1. [Short Title.] This Act may be cited as “An Act Relative to the Use of Inhalers by Pupils and Campers with Asthma.”

Section 2. [Possession and Self-Administration of Asthma Inhalers by Pupils Permitted.] A pupil may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, if the following conditions are satisfied:

I. The pupil has the written approval of the pupil’s physician and, if the pupil is a minor, the written approval of the parent or guardian. The school shall obtain the following information from the pupil’s physician:

(a) The pupil’s name.
(b) The name and signature of the licensed prescriber and business and emergency numbers.
(c) The name, route, and dosage of medication.
(d) The frequency and time of medication administration or assistance.
(e) The date of the order.
(f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.
(g) Specific recommendations for administration.
(h) Any special side effects, contraindications, and adverse reactions to be observed.
(i) At least one emergency telephone number for contacting the parent or guardian.
(j) The name of each required medication.

II. The school principal or, if a school nurse is assigned to the pupil’s school building, the school nurse shall receive copies of the written approvals required by paragraph I.

III. The pupil’s parent or guardian shall submit written verification from the physician confirming that the pupil has the knowledge and skills to safely possess and use an asthma inhaler in a school setting.

IV. If the conditions provided in this section are satisfied, the pupil may possess and use the inhaler at school or at any school sponsored activity, event, or program.

V. In this section, “physician” includes any physician or health practitioner with the authority to write prescriptions.
Section 3. [Immunity for Schools Districts and School Employees Concerning the Use of Inhalers.] No school district, member of a school board, or school district employee shall be liable in a suit for damages as a result of any act or omission related to a pupil's use of an inhaler if the provisions of section 2 of this Act have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an asthma inhaler by a pupil.

Section 4. [Possession and Use of Asthma Inhalers at Recreation Camps.] A recreation camp shall permit a child to possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, if the following conditions are satisfied:

I. The child has the written approval of the child's physician and the written approval of the parent or guardian. The camp shall obtain the following information from the child's physician:
   (a) The child's name.
   (b) The name and signature of the licensed prescriber and business and emergency numbers.
   (c) The name, route, and dosage of medication.
   (d) The frequency and time of medication administration or assistance.
   (e) The date of the order.
   (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.
   (g) Specific recommendations for administration.
   (h) Any special side effects, contraindications, and adverse reactions to be observed.
   (i) The name of each required medication.
   (j) At least one emergency telephone number for contacting the parent or guardian.

II. The recreational camp administrator or, if a nurse is assigned to the camp, the nurse shall receive copies of the written approvals required by paragraph I.

III. The child's parent or guardian shall submit written verification from the physician confirming that the child has the knowledge and skills to safely possess and use an asthma inhaler in a camp setting.

IV. If the conditions provided in this section are satisfied, the child may possess and use the inhaler at the camp or at any camp sponsored activity, event, or program.

V. In this section, “physician” includes any physician or health practitioner with the authority to write prescriptions.

Section 5. [Immunity for Recreation Camps and Recreation Camp Employees Concerning Use of Inhalers.] No recreational camp or camp employee shall be liable in a suit for damages as a result of any act or omission related to a child's use of an inhaler if the provisions of section 4 of this Act have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an asthma inhaler by a child.

Section 6. [Severability.] [Insert severability clause.]

Section 7. [Repealer.] [Insert repealer clause.]
Section 8. [Effective Date.] [Insert effective date.]
