College Partnership Laboratory Schools

This Act defines a college partnership laboratory school as a public, nonsectarian, nonreligious school established by a public institution of higher education that operates a teacher education program approved by the state board of education. The Act authorizes college partnership laboratory schools to stimulate the development of innovative programs for preschool through grade 12 students and provide opportunities for innovative instruction and assessment.

Submitted as:
Virginia
Chapter 871 of 2010
Status: Enacted into law in 2010.

Suggested State Legislation

(Title, enacting clause, etc.)

Section 1. This Act shall be cited as “An Act to Establish College Partnership Laboratory Schools.”

Section 2. [Definitions.] As used in this Act:
(1) “At-risk pupil” means a student having a physical, emotional, intellectual, socioeconomic, or cultural risk factor, as defined in [Board of Education] criteria, which research indicates may negatively influence educational success.
(2) “College partnership laboratory school” means a public, nonsectarian, nonreligious school established by a public institution of higher education that operates a teacher education program approved by the [board of education].
(3) “Governing board” means the board of a college partnership laboratory school that is party to a contract with the [board of education], with the responsibility of creating, managing, and operating the college partnership laboratory school, and whose members have been selected by the institution of higher education establishing the college partnership laboratory school. The governing board shall be under the control of the institution of higher education establishing the college partnership laboratory school.

Section 3. [Establishment and Operation of College Partnership Laboratory Schools; Requirements.]
(A) College partnership laboratory schools may be established in this state as provided in this Act to stimulate the development of innovative programs for preschool through grade 12 students; provide opportunities for innovative instruction and assessment; provide teachers with a vehicle for establishing schools with alternative innovative instruction and school scheduling, management, and structure; encourage the use of performance-based educational programs; establish high standards for both teachers and administrators; encourage greater collaboration between education providers from preschool to the postsecondary level; and develop models for replication in other public schools.
(B) A college partnership laboratory school shall be subject to all federal and state laws and regulations and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, gender, national origin, religion, ancestry, or need for special education.
services. Enrollment shall be open to any child who is deemed to reside within this state through a lottery process on a space-available basis. A waiting list shall be established if adequate space is not available to accommodate all students whose parents have requested to be entered in the lottery process. Such waiting list shall also be prioritized through a lottery process and parents shall be informed of their student’s position on the list.

(C) A college partnership laboratory school shall be administered and managed by a governing board. Pursuant to a contract and as specified in [insert citation], college partnership laboratory schools shall be subject to the requirements of the [Standards of Quality, including the Standards of Learning and the Standards of Accreditation], and such regulations as determined by the [board of education].

(D) College partnership laboratory schools are encouraged to develop collaborative partnerships with public school divisions for the purpose of building seamless education opportunities for all such students in this state, from preschool to postsecondary education.

(E) Pursuant to a college partnership laboratory school agreement, a college partnership laboratory school shall be responsible for its own operations, including, but not limited to, such budget preparation, contracts for services, and personnel matters as are specified in the agreement.

(F) A college partnership laboratory school may negotiate and contract with a school board, the governing body of a public institution of higher education, or any third party for the use of a school building and grounds, the operation and maintenance thereof, and the provision of any service, activity, or undertaking that the college partnership laboratory school is required to perform in order to carry out the educational program described in its contract. Any services for which a college partnership laboratory school contracts with a school board or institution of higher education shall not exceed the school division’s or institution’s costs to provide such services.

(G) A college partnership laboratory school shall not charge tuition.

(H) An approved college partnership laboratory school shall be designated as a local education agency, but shall not constitute a school division as defined under [insert citation].

Section 4. [College Partnership Laboratory School Application and Contract.]

(A) Any public institution of higher education operating within this state and having a teacher education program approved by the [board of education] may submit an application for formation of a college partnership laboratory school.

(B) Each college partnership laboratory school application shall provide or describe thoroughly all of the following essential elements of the proposed school plan:

1. An executive summary;
2. The mission and vision of the proposed college partnership laboratory school, including identification of the targeted student population;
3. The proposed location of the school;
4. The grades to be served each year for the full term of the contract;
5. Minimum, planned, and maximum enrollment per grade per year for the term of the contract;
6. Background information on the proposed founding governing board members and, if identified, the proposed school leadership and management team;
7. The school’s proposed calendar and sample daily schedule;
8. A description of the academic program aligned with state standards;
9. A description of the school’s educational program, including the type of learning environment (such as classroom-based or independent study), class size and structure, curriculum overview, and teaching methods;
The school’s plan for using internal and external assessments to measure and report student progress in accordance with the [Standards of Learning] adopted under [insert citation];

(11) The school’s plans for identifying and successfully serving students with disabilities, students who are English language learners, students who are academically behind, and gifted students, including but not limited to compliance with applicable laws and regulations;

(12) A description of co-curricular and extracurricular programs and how these will be funded and delivered;

(13) Plans and timelines for student recruitment and enrollment, including lottery procedures if sufficient space is unavailable;

(14) The school’s student disciplinary policies, including those for special education students;

(15) An organization chart that clearly presents the school’s organizational structure, including lines of authority and reporting between the governing board, staff, any related bodies (such as advisory bodies or parent and teacher councils), [board of education], and any external organizations that will play a role in managing the school;

(16) A clear description of the roles and responsibilities for the governing board, the school’s leadership and management team, and any other entities shown in the organization chart;

(17) A staffing chart for the school’s first year and a staffing plan for the term of the contract;

(18) Plans for recruiting and developing school leadership and staff;

(19) The school’s leadership and teacher employment policies, including performance evaluation plans;

(20) A plan for the placement of college partnership laboratory school pupils, teachers, and employees upon termination or revocation of the contract;

(21) Explanation of any partnerships or contractual relationships central to the school’s operations or mission;

(22) The school’s plans for providing transportation, food service, and all other significant operational or ancillary services;

(23) Opportunities and expectations for parent involvement;

(24) A detailed school start-up plan, identifying tasks, timelines, and responsible people;

(25) A description of the school’s financial plan and policies, including financial controls and audit requirements;

(26) A description of the insurance coverage the school will obtain;

(27) Start-up and five-year budgets with clearly stated assumptions;

(28) Start-up and first-year cash-flow projections with clearly stated assumptions;

(29) Evidence of anticipated fundraising contributions, if claimed in the application;

(30) A sound facilities plan, including backup or contingency plans if appropriate;

(31) Assurances that the college partnership laboratory school is nonreligious in its programs, admission policies, employment practices, and all other operations and does not charge tuition.

(C) The purposes of the college partnership laboratory school application are to present the proposed school’s academic and operational vision and plans, demonstrate the applicant’s capacities to execute the proposed vision and plans, and provide the [board of education] a clear
basis for assessing the applicant’s plans and capacities. An approved college partnership laboratory school application shall not serve as the school’s contract.

(D) The [board of education] shall establish procedures for receiving, reviewing, and ruling upon applications and shall make a copy of any such procedures available to all interested parties upon request. If the [board] finds the application is incomplete, the [board] shall request the necessary information from the applicant. The [board of education’s] review procedures shall establish a review committee that may include experts with the operation of similar schools located in other states.

(E) To provide appropriate opportunity for input from parents, teachers, and other interested parties and to obtain information to assist the [board of education] in its evaluation of a college partnership laboratory school application, the [board of education] may establish a procedure for public notice, comment, or hearings on such applications.

(F) The decision of the [board of education] to grant or deny a college partnership laboratory school application or to revoke or fail to renew an agreement shall be final and not subject to appeal.

(G) Within [90] days of approval of a college partnership laboratory school application, the [board of education] and the governing board of the approved school shall execute a contract that clearly sets forth the academic and operational performance expectations and measures by which the college partnership laboratory school will be judged and the administrative relationship between the [board of education] and the college partnership laboratory school, including each party’s rights and duties. The performance expectations and measures set forth in the contract shall include but need not be limited to applicable federal and state accountability requirements. The performance provisions may be refined or amended by mutual agreement after the college partnership laboratory school is operating and has collected baseline achievement data for its enrolled students.

Section 5. [College Partnership Laboratory School Terms; Renewals And Revocations.]

(A) A college partnership laboratory school may be approved or renewed for a period not to exceed [five] school years. A college partnership laboratory school renewal application submitted to the [board of education] shall contain:

(1) A report on the progress of the school in achieving the goals, objectives, program and performance standards for students, and such other conditions and terms as the Board of Education may require upon granting initial approval of the college partnership laboratory school application; and

(2) A financial statement, on forms prescribed by the [board], that discloses the costs of administration, instruction, and other spending categories for the school and that has been concisely and clearly written to enable the [board of education] and the public to compare such costs with those of other schools or comparable organizations.

(B) The [board of education] may revoke a contract if the college partnership laboratory school does any of the following or otherwise fails to comply with the provisions of this Act:

(1) Commits a material and substantial violation of any of the terms, conditions, standards, or procedures required under this chapter or the contract;

(2) Fails to meet or make sufficient progress toward the performance expectations set forth in the contract;

(3) Fails to meet generally accepted standards of fiscal management; or

(4) Substantially violates any material provision of law from which the college partnership laboratory school was not exempted.
(C) If the [board of education] revokes or does not renew a college partnership laboratory school contract, it shall clearly state, in a resolution, the reasons for the revocation or nonrenewal.

Section 6. [Employment of Professional, Licensed Personnel.]

(A) College partnership laboratory school personnel shall be employees of the institution of higher education establishing the school.

(B) Teachers working in a college partnership laboratory school shall hold a license issued by the [board of education] or, in the case of an instructor in the higher education institution’s board-approved teacher education program, be eligible to hold a state teaching license. Teachers working in a college partnership laboratory school shall be subject to the requirements of [insert citation] applicable to teachers employed by a local school board.

(C) Professional, [licensed personnel] of a college partnership laboratory school shall be granted the same employment benefits given to professional, [licensed personnel] in public schools in accordance with the agreement between the college partnership laboratory school and the [board of education].

Section 7. [Funding of College Partnership Laboratory Schools.]

(A) There is hereby created in the [state treasury] a special nonreverting fund to be known as the College Partnership Laboratory School Fund, hereafter referred to as “the Fund.” The Fund shall be established on the books of the [comptroller]. All funds appropriated in accordance with the [Appropriation Act] and any gifts, grants, bequests, or donations from public or private sources shall be paid into the [state treasury] and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to the Fund. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the [General Fund] but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of establishing or supporting college partnership laboratory schools in this state that stimulate the development of alternative education programs for preschool through grade 12 students by providing opportunities for innovative instruction and greater cooperation and coordination between institutions of higher education and preschool through grade 12 education systems. Expenditures and disbursements from the Fund shall be made by the [state treasurer] on warrants issued by the [comptroller] upon written request signed by the [superintendent of public instruction]. The [board of education] shall establish criteria for making distributions from the Fund to a college partnership laboratory school requesting moneys from the Fund and may issue guidelines governing the Fund as it deems necessary and appropriate.

(B) Each college partnership laboratory school shall receive such funds as may be appropriated by the [general assembly] in accordance with the [Appropriation Act].

(C) The governing board of a college partnership laboratory school is authorized to accept gifts, donations, or grants of any kind and to spend such funds in accordance with the conditions prescribed by the donor. However, no gift, donation, or grant shall be accepted by the governing board of a college partnership laboratory school if the conditions for such funds are contrary to law or the terms of the agreement between the [board of education] and the college partnership laboratory school.

(D) Notwithstanding any other provision of law, the proportionate share of state and federal resources allocated for students with disabilities and school personnel assigned to special education programs shall be directed to college partnership laboratory schools enrolling such students. The proportionate share of moneys allocated under other federal or state categorical aid programs shall be directed to college partnership laboratory schools serving students eligible for such aid.
(E) College partnership laboratory schools shall be eligible to apply for and receive any federal or state funds otherwise allocated for college partnership laboratory schools in this state.

(F) Any educational and related fees collected from students enrolled at a college partnership laboratory school shall comply with [board of education] regulations and shall be credited to the account of such school.

(G) Each college partnership laboratory school shall be eligible to apply for and receive available funds from the College Partnership Laboratory School Fund and the establishing institution of higher education.

Section 8. [Immunity.]

(A) A college partnership laboratory school shall be immune from liability to the same extent as the public institution of higher education that established the school, and the employees and volunteers in a college partnership laboratory school are immune from liability to the same extent as the employees of the establishing institution of higher education.

(B) The contract between the college partnership laboratory school and the [board of education] shall reflect all agreements regarding the release of the college partnership laboratory school from state regulations, consistent with the requirements of [insert citation]. If the college partnership laboratory school application proposes a program to increase the educational opportunities for at-risk students, the [board of education] may approve an [Individual School Accreditation Plan] as authorized under [insert citation] for the evaluation of the performance of the school. Any material revision of the terms of the contract may be made only with the approval of the [board of education] and the governing board of the college partnership laboratory school.

Section 9. [Severability.] [Insert severability clause.]

Section 10. [Repealer.] [Insert repealer clause.]

Section 11. [Effective Date.] [Insert effective date.]
