The CSG Committee on Suggested State Legislation convened Saturday, December 1 and Sunday, December 2, 2012 to review 92 bills on the first docket in the 2014 SSL cycle. Notable topics addressed by this committee included Internet gaming, helping certified military personnel get comparable civilian occupational licenses, and concierge medicine. The committee voted to include 31 bills in the 2014 Suggested State Legislation volume. It deferred 4 bills for further consideration, and it rejected the remaining 57 bills.

There were no action items from the committee.

The 2013 SSL volume is available to read or download on the Suggested State Legislation page of CSG’s website.
