Hopkins HB No. 2107

Present law creates the Children's Health Insurance Program Support Fund and provides for the disposition of any monies received by the state as a result of the state's settlement with the tobacco industry. Provides that up to $10,000,000 per year of such monies, to the degree to which the funds are allowed under settlement to be used to support health insurance coverage for children. Provides that such funds used to support health insurance coverage for children will be deposited by the treasurer into the Children's Health Insurance Program Support Fund.

Proposed law retains present law and creates the "War Veterans Homes Fund", as a special fund within the state treasury. Provides that the source of monies in the fund shall be monies received by the state from the tobacco settlement. Requires that in Fiscal Years 1999-2000, 2000-2001, and 2001-2002, the treasurer shall deposit into the fund $5,000,000 of such tobacco settlement proceeds remaining each year after the required deposit of monies into the Bond Security and Redemption Fund and the Children's Health Insurance Support Fund (R.S. 46:977).

Proposed law provides that monies in the fund are available for appropriation exclusively for the Department of Veterans Affairs to be used for construction of three war veterans homes.

Proposed law provides that any monies remaining in the fund at the end of the fiscal year shall remain in the fund. Monies in the fund shall be invested by the treasurer in the same manner as monies in the state general fund, and interest earned shall be credited to the state general fund.

Effective upon signature of governor or lapse of time for gubernatorial action.
