HOUSE BILL NO. 1475
(Representative Dalrymple)
(Senator Nething)

AN ACT to provide for allocation of funds from settlements with tobacco product manufacturers; and to create and enact a new subsection to section 54-44-04 of the North Dakota Century Code, relating to monitoring tobacco product manufacturers settlement funds by the office of management and budget.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Tobacco settlement trust fund - Interest on fund - Uses. There is created in the state treasury a tobacco settlement trust fund. The fund consists of the tobacco settlement dollars obtained by the state under sections IX (payments) and XI (calculation and disbursement of payments) of the master settlement agreement and consent agreement adopted by the east central judicial district court in its judgment entered December 28, 1998 (Civil No. 98-3778). All moneys received by the state pursuant to the judgment and all moneys received by the state for enforcement of the judgment must be deposited in the fund. Interest earned on the fund must be credited to the fund and deposited in the fund. The principal and interest of the fund must be allocated as follows:

1. Transfers to a community health trust fund to be administered by the state department of health. The state department of health may use funds as appropriated for community-based public health programs and other public health programs, including programs with emphasis on preventing or reducing tobacco usage in this state. Transfers under this subsection must equal ten percent of total annual transfers from the tobacco settlement trust fund.

2. Transfers to the common schools trust fund to become a part of the principal of that fund. Transfers under this subsection must equal forty-five percent of total annual transfers from the tobacco settlement trust fund.

3. Transfers to the water development trust fund to be used to address the long-term water development and management needs of the state. Transfers under this subsection must equal forty-five percent of the total annual transfers from the tobacco settlement trust fund.

Notwithstanding the provisions of this section, during each biennium transfers that would be made to the common schools trust fund under subsection 2 must instead be transferred to the water development trust fund until the state water commission certifies to the state treasurer that deposits in the water development trust fund during that biennium are sufficient to pay the principal and interest for that biennium on bonds authorized under section 61-02.1-01. When that certification is received, the state treasurer shall determine the amount deposited in the water development trust fund during that biennium and transfers that would be made to the water development trust fund under subsection 3 must instead be transferred to the common schools trust fund until deposits in the common schools trust fund during that biennium are equal to the amount deposited in the water development trust fund during that biennium or until the end of the biennium, whichever occurs first.

Transfers to the funds under this section must be made within thirty days of receipt by the tobacco settlement trust fund.

SECTION 2. A new subsection to section 54-44-04 of the 1997 Supplement to the North Dakota Century Code is created and enacted as follows:

Shall account for and monitor all funds received by the state from any tobacco settlement dollars described in section 1 of this Act and all associated settlements and related funds
and shall report to the budget section of the legislative council on the status of such funds, settlements, offsets, and net resulting revenues and any other related information the budget section requires.
This certifies that the within bill originated in the House of Representatives of the Fifty-sixth Legislative Assembly of North Dakota and is known on the records of that body as House Bill No. 1475.
