An act relating to insurance; providing legislative findings; amending s. 119.10, F.S.; providing a criminal penalty for use of certain report information for commercial solicitation; creating s. 456.0375, F.S.; defining the term "clinic"; imposing registration requirements for certain clinics; providing for medical directors or clinical directors; providing duties and responsibilities of medical directors or clinical directors; authorizing the Department of Health to adopt rules for certain purposes; providing for enforcement; providing penalties; amending s. 626.989, F.S.; clarifying immunity from civil actions provisions; amending s. 627.732, F.S.; defining the terms "broker" and "medically necessary"; amending s. 627.736, F.S.; revising provisions relating to personal injury protection benefits; revising provisions relating to interest on overdue claims; revising provisions for charges and payments for certain treatments; removing provisions specifying the use of medical payments insurance; making certain charges by a broker noncompensable; providing for a demand letter; providing demand letter requirements; providing for civil actions against certain persons; amending s. 817.234, F.S.; prohibiting solicitation of specific persons involved in motor vehicle crashes; specifying certain charges as unlawful

CODING: Words struck are deletions; words underlined are additions.
and unenforceable; amending s. 921.0022, F.S.;
ranking certain criminal offenses specified in
that section; amending s. 324.021, F.S.;
correcting a cross-reference; providing an
appropriation; providing effective dates.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Legislative findings.--The Legislature
finds that the Florida Motor Vehicle No-Fault Law is intended
to deliver medically necessary and appropriate medical care
quickly and without regard to fault, and without undue
litigation or other associated costs. The Legislature further
finds that this intent has been frustrated at significant cost
and harm to consumers by, among other things, fraud, medically
inappropriate over-utilization of treatments and diagnostic
services, inflated charges, and other practices on the part of
a small number of health care providers and unregulated health
care clinics, entrepreneurs, and attorneys. Many of these
practices are described in the second interim report of the
Fifteenth Statewide Grand Jury entitled "Report on Insurance
Fraud Related to Personal Injury Protection." The Legislature
hereby adopts and incorporates in this section by reference as
findings the entirety of this Grand Jury report. The
Legislature further finds insurance fraud related to personal
injury protection takes many forms, including, but not limited
to, illegal solicitation of accident victims; brokering
patients among doctors, lawyers, and diagnostic facilities;
unnecessary medical treatment of accident victims billed to
insurers by clinics; billing of insurers by clinics for
services not rendered; the intentional overuse or misuse of

CODING: Words stricken are deletions; words underlined are additions.
legitimate diagnostic tests; inflated charges for diagnostic
tests or procedures arranged through brokers; and filing
fraudulent no-fault law tort lawsuits. As a result, the
Legislature declares it necessary, among other things, to
increase the punishment for certain offenses related to
solicitation of accident victims and use of police reports,
register certain clinics; subject certain diagnostic tests to
maximum reimbursement allowances; prohibit the brokering of
magnetic resonance imaging services; allow providers and
insurers additional time to bill and pay claims in certain
situations; require notification of insurers prior to
initiating litigation for an overdue claim for benefits; and
provide insurers with a civil cause of action for insurance
fraud. The Legislature further declares the problem of fraud
addressed in the Grand Jury report and in this act and matters
connected therewith are matters of great public interest and
importance to public health, safety, and welfare, and that the
specific provisions of this act are the least-restrictive
reasonable means by which to solve these problems.

Section 2. Subsection (3) is added to section 119.10,
Florida Statutes, to read:

119.10 Violation of chapter; penalties.--
     (3) Any person who willfully and knowingly violates s.
119.105 commits a felony of the third degree, punishable as
provided in s. 775.082, s. 775.083, or s. 775.084.

Section 3. Effective October 1, 2001, section
456.0375, Florida Statutes, is created to read:
456.0375 Registration of certain clinics;
requirements; discipline; exemptions.--
     (1)(a) As used in this section, the term "clinic"
means a business operating in a single structure or facility,

CODING: Words stricken are deletions; words underlined are additions.
or in a group of adjacent structures or facilities operating
under the same business name or management, at which health
care services are provided to individuals and which tender
charges for reimbursement for such services.
(b) For purposes of this section, the term "clinic"
does not include and the registration requirements herein do
not apply to:
   1. Entities licensed or registered by the state
      pursuant to chapter 390, chapter 394, chapter 395, chapter
      397, chapter 400, chapter 463, chapter 465, chapter 466,
      chapter 478, chapter 480, or chapter 484.
   2. Entities exempt from federal taxation under 26
      U.S.C. s. 501(c)(3).
   3. Sole proprietorships, group practices,
      partnerships, or corporations that provide health care
      services by licensed health care practitioners pursuant to
      chapters 457, 458, 459, 460, 461, 462, 463, 466, 467, 484,
      486, 490, 491, or parts I, III, X, XIII, or XIV of chapter
      468, or s. 464.012, which are wholly owned by licensed health
      care practitioners or the licensed health care practitioner
      and the spouse, parent, or child of a licensed health care
      practitioner, so long as one of the owners who is a licensed
      health care practitioner is supervising the services performed
      therein and is legally responsible for the entity's compliance
      with all federal and state laws. However, no health care
      practitioner may supervise services beyond the scope of the
      practitioner's license.
(2)(a) Every clinic, as defined in paragraph (1)(a),
must register, and must at all times maintain a valid
registration, with the Department of Health. Each clinic
location shall be registered separately even though operated

CODING: Words stricken are deletions; words underlined are additions.
under the same business name or management, and each clinic
shall appoint a medical director or clinical director.

(b) The department shall adopt rules necessary to
implement the registration program, including rules
establishing the specific registration procedures, forms, and
fees. Registration fees must be reasonably calculated to
cover the cost of registration and must be of such amount that
the total fees collected do not exceed the cost of
administering and enforcing compliance with this section.

Registration may be conducted electronically. The registration
program must require:

1. The clinic to file the registration form with the
department within 60 days after the effective date of this
section or prior to the inception of operation. The
registration expires automatically 2 years after its date of
issuance and must be renewed biennially.

2. The registration form to contain the name,
residence and business address, phone number, and license
number of the medical director or clinical director for the
clinic.

3. The clinic to display the registration certificate
in a conspicuous location within the clinic readily visible to
all patients.

(3)(a) Each clinic must employ or contract with a
physician maintaining a full and unencumbered physician
license in accordance with chapter 458, chapter 459, chapter
460, or chapter 461 to serve as the medical director.

However, if the clinic is limited to providing health care
services pursuant to chapter 457, chapter 484, chapter 486,
chapter 490, or chapter 491 or part I, part III, part X, part
XIII, or part XIV of chapter 468, the clinic may appoint a

CODING: Words stricken are deletions; words underlined are additions.
health care practitioner licensed under that chapter to serve as a clinical director who is responsible for the clinic's activities. A health care practitioner may not serve as the clinical director if the services provided at the clinic are beyond the scope of that practitioner's license.

(b) The medical director or clinical director shall agree in writing to accept legal responsibility for the following activities on behalf of the clinic. The medical director or the clinical director shall:

1. Have signs identifying the medical director or clinical director posted in a conspicuous location within the clinic readily visible to all patients.

2. Ensure that all practitioners providing health care services or supplies to patients maintain a current active and unencumbered Florida license.

3. Review any patient referral contracts or agreements executed by the clinic.

4. Ensure that all health care practitioners at the clinic have active appropriate certification or licensure for the level of care being provided.

5. Serve as the clinic records holder as defined in s. 456.057.

6. Ensure compliance with the recordkeeping, office surgery, and adverse incident reporting requirements of chapter 456, the respective practice acts, and rules adopted thereunder.

7. Conduct systematic reviews of clinic billings to ensure that the billings are not fraudulent or unlawful. Upon discovery of an unlawful charge, the medical director shall take immediate corrective action.

CODING: Words stricken are deletions; words underlined are additions.
(c) Any contract to serve as a medical director or a clinical director entered into or renewed by a physician or a licensed health care practitioner in violation of this section is void as contrary to public policy. This section shall apply to contracts entered into or renewed on or after October 1, 2001.

(d) The department, in consultation with the boards, shall adopt rules specifying limitations on the number of registered clinics and licensees for which a medical director or a clinical director may assume responsibility for purposes of this section. In determining the quality of supervision a medical director or a clinical director can provide, the department shall consider the number of clinic employees, clinic location, and services provided by the clinic.

(4)(a) All charges or reimbursement claims made by or on behalf of a clinic that is required to be registered under this section, but that is not so registered, are unlawful charges and therefore are noncompensable and unenforceable.

(b) Any person establishing, operating, or managing an unregistered clinic otherwise required to be registered under this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(c) Any licensed health care practitioner who violates this section is subject to discipline in accordance with chapter 456 and the respective practice act.

(d) The department shall revoke the registration of any clinic registered under this section for operating in violation of the requirements of this section or the rules adopted by the department.

CODING: Words stricken are deletions; words underlined are additions.
The department shall investigate allegations of noncompliance with this section and the rules adopted pursuant to this section.

Section 4. Paragraph (c) of subsection (4) of section 626.989, Florida Statutes, is amended to read:

626.989 Investigation by department or Division of Insurance Fraud; compliance; immunity; confidential information; reports to division; division investigator's power of arrest.--

(4)

(c) In the absence of fraud or bad faith, a person is not subject to civil liability for libel, slander, or any other relevant tort by virtue of filing reports, without malice, or furnishing other information, without malice, required by this section or required by the department or division under the authority granted in this section, and no civil cause of action of any nature shall arise against such person:

1. For any information relating to suspected fraudulent insurance acts or persons suspected of engaging in such acts furnished to or received from law enforcement officials, their agents, or employees;

2. For any information relating to suspected fraudulent insurance acts or persons suspected of engaging in such acts furnished to or received from other persons subject to the provisions of this chapter; or

3. For any such information furnished in reports to the department, the division, the National Insurance Crime Bureau, the National Association of Insurance Commissioners, or any local, state, or federal enforcement officials or their agents or employees; or

CODING: Words stricken are deletions; words underlined are additions.
4. For other actions taken in cooperation with any of the agencies or individuals specified in this paragraph in the lawful investigation of suspected fraudulent insurance acts.

Section 5. Section 627.732, Florida Statutes, is amended to read:

627.732 Definitions.--As used in ss. 627.730-627.7405,
the term:
(1) "Broker" means any person not possessing a license under chapter 395, chapter 400, chapter 458, chapter 459, chapter 460, chapter 461, or chapter 641 who charges or receives compensation for any use of medical equipment and is not the 100-percent owner or the 100-percent lessee of such equipment. For purposes of this section, such owner or lessee may be an individual, a corporation, a partnership, or any other entity and any of its 100-percent-owned affiliates and subsidiaries. For purposes of this subsection, the term "lessee" means a long-term lessee under a capital or operating lease, but does not include a part-time lessee. The term "broker" does not include a hospital or physician management company whose medical equipment is ancillary to the practices managed, a debt collection agency, or an entity that has contracted with the insurer to obtain a discounted rate for such services; nor does the term include a management company that has contracted to provide general management services for a licensed physician or health care facility and whose compensation is not materially affected by the usage or frequency of usage of medical equipment or an entity that is 100-percent owned by one or more hospitals or physicians. The term "broker" does not include a person or entity that certifies, upon request of an insurer, that:

(a) It is a clinic registered under s. 456.0375;
(b) It is a 100-percent owner of medical equipment; and
(c) The owner's only part-time lease of medical equipment for personal injury protection patients is on a temporary basis not to exceed 30 days in a 12-month period, and such lease is solely for the purposes of necessary repair or maintenance of the 100-percent-owned medical equipment, or for patients for whom, because of physical size or claustrophobia, it is determined by the medical director or clinical director to be medically necessary that the test be performed in medical equipment that is open-style. The leased medical equipment cannot be used by patients who are not patients of the registered clinic for medical treatment of services. Any person or entity making a false certification under this subsection commits insurance fraud as defined in s. 817.234.

(2) "Medically necessary" refers to a medical service or supply that a prudent physician would provide for the purpose of preventing, diagnosing, or treating an illness, injury, disease, or symptom in a manner that is:
(a) In accordance with generally accepted standards of medical practice;
(b) Clinically appropriate in terms of type, frequency, extent, site, and duration; and
(c) Not primarily for the convenience of the patient, physician, or other health care provider.

(3) "Motor vehicle" means any self-propelled vehicle with four or more wheels which is of a type both designed and required to be licensed for use on the highways of this state and any trailer or semitrailer designed for use with such vehicle and includes:

CODING: Words stricken are deletions; words underlined are additions.
(a) A "private passenger motor vehicle," which is any motor vehicle which is a sedan, station wagon, or jeep-type vehicle and, if not used primarily for occupational, professional, or business purposes, a motor vehicle of the pickup, panel, van, camper, or motor home type.

(b) A "commercial motor vehicle," which is any motor vehicle which is not a private passenger motor vehicle.

The term "motor vehicle" does not include a mobile home or any motor vehicle which is used in mass transit, other than public school transportation, and designed to transport more than five passengers exclusive of the operator of the motor vehicle and which is owned by a municipality, a transit authority, or a political subdivision of the state.

(4) "Named insured" means a person, usually the owner of a vehicle, identified in a policy by name as the insured under the policy.

(5) "Owner" means a person who holds the legal title to a motor vehicle; or, in the event a motor vehicle is the subject of a security agreement or lease with an option to purchase with the debtor or lessee having the right to possession, then the debtor or lessee shall be deemed the owner for the purposes of ss. 627.730-627.7405.

(6) "Relative residing in the same household" means a relative of any degree by blood or by marriage who usually makes her or his home in the same family unit, whether or not temporarily living elsewhere.

(7) "Recovery agent" means any person or agency who is licensed as a recovery agent or recovery agency and authorized under s. 324.202 to seize license plates.

CODING: Words stricken are deletions; words underlined are additions.
Section 6. Subsections (1), (4), (5), (7), and (8) of section 627.736, Florida Statutes, and paragraph (b) of subsection (6) of that section, are amended, and subsections (11) and (12) are added to that section, to read:

627.736 Required personal injury protection benefits; exclusions; priority; claims.--

(1) REQUIRED BENEFITS.--Every insurance policy complying with the security requirements of s. 627.733 shall provide personal injury protection to the named insured, relatives residing in the same household, persons operating the insured motor vehicle, passengers in such motor vehicle, and other persons struck by such motor vehicle and suffering bodily injury while not an occupant of a self-propelled vehicle, subject to the provisions of subsection (2) and paragraph (4)(d), to a limit of $10,000 for loss sustained by any such person as a result of bodily injury, sickness, disease, or death arising out of the ownership, maintenance, or use of a motor vehicle as follows:

(a) Medical benefits.--Eighty percent of all reasonable expenses for medically necessary medical, surgical, X-ray, dental, and rehabilitative services, including prosthetic devices, and medically necessary ambulance, hospital, and nursing services. Such benefits shall also include necessary remedial treatment and services recognized and permitted under the laws of the state for an injured person who relies upon spiritual means through prayer alone for healing, in accordance with his or her religious beliefs; however, this sentence does not affect the determination of what other services or procedures are medically necessary.

(b) Disability benefits.--Sixty percent of any loss of gross income and loss of earning capacity per individual from

CODING: Words stricken are deletions; words underlined are additions.
inability to work proximately caused by the injury sustained by the injured person, plus all expenses reasonably incurred in obtaining from others ordinary and necessary services in lieu of those that, but for the injury, the injured person would have performed without income for the benefit of his or her household. All disability benefits payable under this provision shall be paid not less than every 2 weeks.

(c) Death benefits.--Death benefits of $5,000 per individual. The insurer may pay such benefits to the executor or administrator of the deceased, to any of the deceased's relatives by blood or legal adoption or connection by marriage, or to any person appearing to the insurer to be equitably entitled thereto.

Only insurers writing motor vehicle liability insurance in this state may provide the required benefits of this section, and no such insurer shall require the purchase of any other motor vehicle coverage other than the purchase of property damage liability coverage as required by s. 627.7275 as a condition for providing such required benefits. Insurers may not require that property damage liability insurance in an amount greater than $10,000 be purchased in conjunction with personal injury protection. Such insurers shall make benefits and required property damage liability insurance coverage available through normal marketing channels. Any insurer writing motor vehicle liability insurance in this state who fails to comply with such availability requirement as a general business practice shall be deemed to have violated part X of chapter 626, and such violation shall constitute an unfair method of competition or an unfair or deceptive act or practice involving the business of insurance; and any such

CODING: Words stricken are deletions; words underlined are additions.
insurer committing such violation shall be subject to the
penalties afforded in such part, as well as those which may be
afforded elsewhere in the insurance code.

(4) BENEFITS; WHEN DUE.--Benefits due from an insurer
under ss. 627.730-627.7405 shall be primary, except that
benefits received under any workers' compensation law shall be
credited against the benefits provided by subsection (1) and
shall be due and payable as loss accrues, upon receipt of
reasonable proof of such loss and the amount of expenses and
loss incurred which are covered by the policy issued under ss.
627.730-627.7405. When the Agency for Health Care
Administration provides, pays, or becomes liable for medical
assistance under the Medicaid program related to injury,
sickness, disease, or death arising out of the ownership,
maintenance, or use of a motor vehicle, benefits under ss.
627.730-627.7405 shall be subject to the provisions of the
Medicaid program.

(a) An insurer may require written notice to be given
as soon as practicable after an accident involving a motor
vehicle with respect to which the policy affords the security
required by ss. 627.730-627.7405.

(b) Personal injury protection insurance benefits paid
pursuant to this section shall be overdue if not paid within
30 days after the insurer is furnished written notice of the
fact of a covered loss and of the amount of same. If such
written notice is not furnished to the insurer as to the
entire claim, any partial amount supported by written notice
is overdue if not paid within 30 days after such written
notice is furnished to the insurer. Any part or all of the
remainder of the claim that is subsequently supported by
written notice is overdue if not paid within 30 days after
such written notice is furnished to the insurer. When an
insurer pays only a portion of a claim or rejects a claim, the
insurer shall provide at the time of the partial payment or
rejection an itemized specification of each item that the
insurer had reduced, omitted, or declined to pay and any
information that the insurer desires the claimant to consider
related to the medical necessity of the denied treatment or to
explain the reasonableness of the reduced charge, provided
that this shall not limit the introduction of evidence at
trial; and the insurer shall include the name and address of
the person to whom the claimant should respond and a claim
number to be referenced in future correspondence. However,
notwithstanding the fact that written notice has been
furnished to the insurer, any payment shall not be deemed
overdue when the insurer has reasonable proof to establish
that the insurer is not responsible for the payment;
notwithstanding that written notice has been furnished to the
insurer. For the purpose of calculating the extent to which
any benefits are overdue, payment shall be treated as being
made on the date a draft or other valid instrument which is
equivalent to payment was placed in the United States mail in
a properly addressed, postpaid envelope or, if not so posted,
on the date of delivery. This paragraph does not preclude or
limit the ability of the insurer to assert that the claim was
unrelated, was not medically necessary, or was unreasonable or
that the amount of the charge was in excess of that permitted
under, or in violation of, subsection (5). Such assertion by
the insurer may be made at any time, including after payment
of the claim or after the 30-day time period for payment set
forth in this paragraph.
(c) All overdue payments shall bear simple interest at the rate established by the Comptroller under s. 55.03 or the rate established in the insurance contract, whichever is greater, for the year in which the payment became overdue, calculated from the date the insurer was furnished with written notice of the amount of covered loss. Interest shall be due at the time payment of the overdue claim is made of 10 percent per year.

(d) The insurer of the owner of a motor vehicle shall pay personal injury protection benefits for:

1. Accidental bodily injury sustained in this state by the owner while occupying a motor vehicle, or while not an occupant of a self-propelled vehicle if the injury is caused by physical contact with a motor vehicle.

2. Accidental bodily injury sustained outside this state, but within the United States of America or its territories or possessions or Canada, by the owner while occupying the owner's motor vehicle.

3. Accidental bodily injury sustained by a relative of the owner residing in the same household, under the circumstances described in subparagraph 1. or subparagraph 2., provided the relative at the time of the accident is domiciled in the owner's household and is not himself or herself the owner of a motor vehicle with respect to which security is required under ss. 627.730-627.7405.

4. Accidental bodily injury sustained in this state by any other person while occupying the owner's motor vehicle or, if a resident of this state, while not an occupant of a self-propelled vehicle, if the injury is caused by physical contact with such motor vehicle, provided the injured person is not himself or herself:

CODING: Words stricken are deletions; words underlined are additions.
a. The owner of a motor vehicle with respect to which security is required under ss. 627.730-627.7405; or
b. Entitled to personal injury benefits from the insurer of the owner or owners of such a motor vehicle.

(e) If two or more insurers are liable to pay personal injury protection benefits for the same injury to any one person, the maximum payable shall be as specified in subsection (1), and any insurer paying the benefits shall be entitled to recover from each of the other insurers an equitable pro rata share of the benefits paid and expenses incurred in processing the claim.

(f) Medical payments insurance, if available in a policy of motor vehicle insurance, shall pay the portion of any claim for personal injury protection medical benefits which is otherwise covered but is not payable due to the coinsurance provision of paragraph (1)(a), regardless of whether the full amount of personal injury protection coverage has been exhausted. The benefits shall not be payable for the amount of any deductible which has been selected.

(g) It is a violation of the insurance code for an insurer to fail to timely provide benefits as required by this section with such frequency as to constitute a general business practice.

(5) CHARGES FOR TREATMENT OF INJURED PERSONS.--

(a) Any physician, hospital, clinic, or other person or institution lawfully rendering treatment to an injured person for a bodily injury covered by personal injury protection insurance may charge only a reasonable amount for the products, services, and supplies rendered, and the insurer providing such coverage may pay for such charges directly to such person or institution lawfully.
rendering such treatment, if the insured receiving such

treatment or his or her guardian has countersigned the

invoice, bill, or claim form approved by the Department of

Insurance upon which such charges are to be paid for as having

actually been rendered, to the best knowledge of the insured

or his or her guardian. In no event, however, may such a

charge be in excess of the amount the person or institution

customarily charges for like products, services, or supplies

accommodations in cases involving no insurance, provided that

  (b)1. An insurer or insured is not required to pay a

claim made by a broker or by a person making a claim on behalf

of a broker.

  2. Charges for medically necessary cephalic

thermograms, and peripheral thermograms, spinal ultrasounds,

extremity ultrasounds, video fluoroscopy, and surface

electromyography shall not exceed the maximum reimbursement

allowance for such procedures as set forth in the applicable

fee schedule or other payment methodology established pursuant

to s. 440.13.

  3. Allowable amounts that may be charged to a personal

injury protection insurance insurer and insured for medically

necessary nerve conduction testing when done in conjunction

with a needle electromyography procedure and both are

performed and billed solely by a physician licensed under

chapter 458, chapter 459, chapter 460, or chapter 461 who is

also certified by the American Board of Electrodiagnostic

Medicine or by a board recognized by the American Board of

Medical Specialties or the American Osteopathic Association or

who holds diplomate status with the American Chiropractic

Neurology Board or its predecessors shall not exceed 200

percent of the allowable amount under Medicare Part B for year

CODING: Words stricken are deletions; words underlined are additions.
2001, for the area in which the treatment was rendered, adjusted annually by an additional amount equal to the medical Consumer Price Index for Florida.

4. Allowable amounts that may be charged to a personal injury protection insurance insurer and insured for medically necessary nerve conduction testing that does not meet the requirements of subparagraph 3. shall not exceed the applicable fee schedule or other payment methodology established pursuant to s. 440.13.

5. Effective upon this act becoming a law and before November 1, 2001, allowable amounts that may be charged to a personal injury protection insurance insurer and insured for magnetic resonance imaging services shall not exceed 200 percent of the allowable amount under Medicare Part B for year 2001, for the area in which the treatment was rendered. Beginning November 1, 2001, allowable amounts that may be charged to a personal injury protection insurance insurer and insured for magnetic resonance imaging services shall not exceed 175 percent of the allowable amount under Medicare Part B for year 2001, for the area in which the treatment was rendered, adjusted annually by an additional amount equal to the medical Consumer Price Index for Florida, except that allowable amounts that may be charged to a personal injury protection insurance insurer and insured for magnetic resonance imaging services provided in facilities accredited by the American College of Radiology or the Joint Commission on Accreditation of Healthcare Organizations shall not exceed 200 percent of the allowable amount under Medicare Part B for year 2001, for the area in which the treatment was rendered, adjusted annually by an additional amount equal to the medical Consumer Price Index for Florida. This paragraph does not

CODING: Words stricken are deletions; words underlined are additions.
apply to charges for magnetic resonance imaging services and
nerve conduction testing for inpatients and emergency services
and care as defined in chapter 395 rendered by facilities
licensed under chapter 395.

With respect to any treatment or service, other
than medical services billed by a hospital or other provider
for emergency services as defined in s. 395.002 or inpatient
services rendered at a hospital-owned facility, the statement
of charges must be furnished to the insurer by the provider
and may not include, and the insurer is not required to pay,
charges for treatment or services rendered more than 35 days
before the postmark date of the statement, except for
past due amounts previously billed on a timely basis under
this paragraph, and except that, if the provider submits to
the insurer a notice of initiation of treatment within 21 days
after its first examination or treatment of the claimant, the
statement may include charges for treatment or services
rendered up to, but not more than, 75 days before the
postmark date of the statement. The injured party is not
liable for, and the provider shall not bill the injured party
for, charges that are unpaid because of the provider's failure
to comply with this paragraph. Any agreement requiring the
injured person or insured to pay for such charges is
unenforceable. If, however, the insured fails to furnish the
provider with the correct name and address of the insured's
personal injury protection insurer, the provider has 35 days
from the date the provider obtains the correct information to
furnish the insurer with a statement of the charges. The
insurer is not required to pay for such charges unless the
provider includes with the statement documentary evidence that
was provided by the insured during the 35-day period

CODING: Words stricken are deletions; words underlined are additions.
demonstrating that the provider reasonably relied on erroneous
information from the insured and either:

1. A denial letter from the incorrect insurer; or
2. Proof of mailing, which may include an affidavit
under penalty of perjury, reflecting timely mailing to the
incorrect address or insurer.

For emergency services and care as defined in s. 395.002
rendered in a hospital emergency department or for transport
and treatment rendered by an ambulance provider licensed
pursuant to part III of chapter 401, the provider is not
required to furnish the statement of charges within the time
periods established by this paragraph; and the insurer shall
not be considered to have been furnished with notice of the
amount of covered loss for purposes of paragraph (4)(b) until
it receives a statement complying with paragraph(e)(5)(d),
or copy thereof, which specifically identifies the place of
service to be a hospital emergency department or an ambulance
in accordance with billing standards recognized by the Health
Care Finance Administration. Each notice of insured's rights
under s. 627.7401 must include the following statement in type
no smaller than 12 points:

BILLING REQUIREMENTS.--Florida Statutes provide
that with respect to any treatment or services,
other than certain hospital and emergency
services, the statement of charges furnished to
the insurer by the provider may not include,
and the insurer and the injured party are not
required to pay, charges for treatment or
services rendered more than 35 days before
the postmark date of the statement, except for

CODING: Words stricken are deletions; words underlined are additions.
past due amounts previously billed on a timely basis, and except that, if the provider submits to the insurer a notice of initiation of treatment within 21 days after its first examination or treatment of the claimant, the statement may include charges for treatment or services rendered up to, but not more than, 75 days before the postmark date of the statement.

(d) Every insurer shall include a provision in its policy for personal injury protection benefits for binding arbitration of any claims dispute involving medical benefits arising between the insurer and any person providing medical services or supplies if that person has agreed to accept assignment of personal injury protection benefits. The provision shall specify that the provisions of chapter 682 relating to arbitration shall apply. The prevailing party shall be entitled to attorney's fees and costs. For purposes of the award of attorney's fees and costs, the prevailing party shall be determined as follows:

1. When the amount of personal injury protection benefits determined by arbitration exceeds the sum of the amount offered by the insurer at arbitration plus 50 percent of the difference between the amount of the claim asserted by the claimant at arbitration and the amount offered by the insurer at arbitration, the claimant is the prevailing party.

2. When the amount of personal injury protection benefits determined by arbitration is less than the sum of the amount offered by the insurer at arbitration plus 50 percent of the difference between the amount of the claim asserted by

CODING: Words struck are deletions; words underlined are additions.
the claimant at arbitration and the amount offered by the insurer at arbitration, the insurer is the prevailing party.

3. When neither subparagraph 1. nor subparagraph 2. applies, there is no prevailing party. For purposes of this paragraph, the amount of the offer or claim at arbitration is the amount of the last written offer or claim made at least 30 days prior to the arbitration.

4. In the demand for arbitration, the party requesting arbitration must include a statement specifically identifying the issues for arbitration for each examination or treatment in dispute. The other party must subsequently issue a statement specifying any other examinations or treatment and any other issues that it intends to raise in the arbitration. The parties may amend their statements up to 30 days prior to arbitration, provided that arbitration shall be limited to those identified issues and neither party may add additional issues during arbitration.

(e) All statements and bills for medical services rendered by any physician, hospital, clinic, or other person or institution shall be submitted to the insurer on a Health Care Finance Administration 1500 form, UB 92 forms, or any other standard form approved by the department for purposes of this paragraph. All billings for such services shall, to the extent applicable, follow the Physicians' Current Procedural Terminology (CPT) in the year in which services are rendered. No statement of medical services may include charges for medical services of a person or entity that performed such services without possessing the valid licenses required to perform such services. For purposes of paragraph (4)(b), an insurer shall not be considered to have been furnished with
notice of the amount of covered loss or medical bills due
unless the statements or bills comply with this paragraph.

(6) DISCOVERY OF FACTS ABOUT AN INJURED PERSON;

DISPUTES.--

(b) Every physician, hospital, clinic, or other
medical institution providing, before or after bodily injury
upon which a claim for personal injury protection insurance
benefits is based, any products, services, or accommodations
in relation to that or any other injury, or in relation to a
condition claimed to be connected with that or any other
injury, shall, if requested to do so by the insurer against
whom the claim has been made, furnish forthwith a written
report of the history, condition, treatment, dates, and costs
of such treatment of the injured person and why the items
identified by the insurer were reasonable in amount and
medically necessary, together with a sworn statement that the
treatment or services rendered were reasonable and necessary
with respect to the bodily injury sustained and identifying
which portion of the expenses for such treatment or services
was incurred as a result of such bodily injury, and produce
forthwith, and permit the inspection and copying of, his or
her or its records regarding such history, condition,
treatment, dates, and costs of treatment; provided that this
shall not limit the introduction of evidence at trial. Such
sworn statement shall read as follows: "Under penalty of
perjury, I declare that I have read the foregoing, and the
facts alleged are true, to the best of my knowledge and
belief." No cause of action for violation of the
physician-patient privilege or invasion of the right of
privacy shall be permitted against any physician, hospital,
clinic, or other medical institution complying with the

CODING: Words \texttt{stricken} are deletions; words \texttt{underlined} are additions.
provisions of this section. The person requesting such records and such sworn statement shall pay all reasonable costs connected therewith. If an insurer makes a written request for documentation or information under this paragraph within 30 days after having received notice of the amount of a covered loss under paragraph (4)(a), the amount or the partial amount which is the subject of the insurer's inquiry shall become overdue if the insurer does not pay the insurer shall pay the amount or partial amount of covered loss to which such documentation relates in accordance with paragraph (4)(b) or within 10 days after the insurer's receipt of the requested documentation or information, whichever occurs later. For purposes of this paragraph, the term "receipt" includes, but is not limited to, inspection and copying pursuant to this paragraph. Any insurer that requests documentation or information pertaining to reasonableness of charges or medical necessity under this paragraph without a reasonable basis for such requests as a general business practice is engaging in an unfair trade practice under the insurance code.

(7) MENTAL AND PHYSICAL EXAMINATION OF INJURED PERSON; REPORTS.--

(a) Whenever the mental or physical condition of an injured person covered by personal injury protection is material to any claim that has been or may be made for past or future personal injury protection insurance benefits, such person shall, upon the request of an insurer, submit to mental or physical examination by a physician or physicians. The costs of any examinations requested by an insurer shall be borne entirely by the insurer. Such examination shall be conducted within the municipality where the insured is receiving treatment, or in a location reasonably accessible to

CODING: Words stricken are deletions; words underlined are additions.
the insured, which, for purposes of this paragraph, means any location within the municipality in which the insured resides, or any location within 10 miles by road of the insured's residence, provided such location is within the county in which the insured resides. If the examination is to be conducted in a location reasonably accessible to the insured, and if there is no qualified physician to conduct the examination in a location reasonably accessible to the insured, then such examination shall be conducted in an area of the closest proximity to the insured's residence. Personal protection insurers are authorized to include reasonable provisions in personal injury protection insurance policies for mental and physical examination of those claiming personal injury protection insurance benefits. An insurer may not withdraw payment of a treating physician without the consent of the injured person covered by the personal injury protection, unless the insurer first obtains a valid report by a physician licensed under the same chapter as the treating physician whose treatment authorization is sought to be withdrawn, stating that treatment was not reasonable, related, or necessary. A valid report is one that is prepared and signed by the physician examining the injured person or reviewing the treatment records of the injured person and is factually supported by the examination and treatment records if reviewed and that has not been modified by anyone other than the physician. The physician preparing the report must be in active practice, unless the physician is physically disabled. Active practice means that during the 3 years immediately preceding the date of the physical examination or review of the treatment records the physician must have devoted professional time to the active clinical practice of

CODING: Words stricken are deletions; words underlined are additions.
evaluation, diagnosis, or treatment of medical conditions or
to the instruction of students in an accredited health
professional school or accredited residency program or a
clinical research program that is affiliated with an
accredited health professional school or teaching hospital or
accredited residency program.

(b) If requested by the person examined, a party
causing an examination to be made shall deliver to him or her
a copy of every written report concerning the examination
rendered by an examining physician, at least one of which
reports must set out the examining physician's findings and
conclusions in detail. After such request and delivery, the
party causing the examination to be made is entitled, upon
request, to receive from the person examined every written
report available to him or her or his or her representative
concerning any examination, previously or thereafter made, of
the same mental or physical condition. By requesting and
obtaining a report of the examination so ordered, or by taking
the deposition of the examiner, the person examined waives any
privilege he or she may have, in relation to the claim for
benefits, regarding the testimony of every other person who
has examined, or may thereafter examine, him or her in respect
to the same mental or physical condition. If a person
unreasonably refuses to submit to an examination, the personal
injury protection carrier is no longer liable for subsequent
personal injury protection benefits.

(8) APPLICABILITY OF PROVISION REGULATING ATTORNEY'S
FEES.--With respect to any dispute under the provisions of ss.
627.730-627.7405 between the insured and the insurer, or
between an assignee of an insured's rights and the insurer,

CODING: Words **stricken** are deletions; words *underlined* are additions.
the provisions of s. 627.428 shall apply, except as provided in subsection (11).

(11) DEMAND LETTER.--
(a) As a condition precedent to filing any action for an overdue claim for benefits under paragraph (4)(b), the insurer must be provided with written notice of an intent to initiate litigation; provided, however, that, except with regard to a claim or amended claim or judgment for interest only which was not paid or was incorrectly calculated, such notice is not required for an overdue claim that the insurer has denied or reduced, nor is such notice required if the insurer has been provided documentation or information at the insurer's request pursuant to subsection (6). Such notice may not be sent until the claim is overdue, including any additional time the insurer has to pay the claim pursuant to paragraph (4)(b).
(b) The notice required shall state that it is a "demand letter under s. 627.736(11)" and shall state with specificity:
1. The name of the insured upon which such benefits are being sought.
2. The claim number or policy number upon which such claim was originally submitted to the insurer.
3. To the extent applicable, the name of any medical provider who rendered to an insured the treatment, services, accommodations, or supplies that form the basis of such claim; and an itemized statement specifying each exact amount, the date of treatment, service, or accommodation, and the type of benefit claimed to be due. A completed Health Care Finance Administration 1500 form, UB 92, or successor forms approved.
by the Secretary of the U.S. Department of Health and Human Services may be used as the itemized statement.

(c) Each notice required by this section must be delivered to the insurer by U.S. certified or registered mail, return receipt requested. Such postal costs shall be reimbursed by the insurer if so requested by the provider in the notice, when the insurer pays the overdue claim. Such notice must be sent to the person and address specified by the insurer for the purposes of receiving notices under this section, on the document denying or reducing the amount asserted by the filer to be overdue. Each licensed insurer, whether domestic, foreign, or alien, may file with the department designation of the name and address of the person to whom notices pursuant to this section shall be sent when such document does not specify the name and address to whom the notices under this section are to be sent or when there is no such document. The name and address on file with the department pursuant to s. 624.422 shall be deemed the authorized representative to accept notice pursuant to this section in the event no other designation has been made.

(d) If, within 7 business days after receipt of notice by the insurer, the overdue claim specified in the notice is paid by the insurer together with applicable interest and a penalty of 10 percent of the overdue amount paid by the insurer, subject to a maximum penalty of $250, no action for nonpayment or late payment may be brought against the insurer. To the extent the insurer determines not to pay the overdue amount, the penalty shall not be payable in any action for nonpayment or late payment. For purposes of this subsection, payment shall be treated as being made on the date a draft or other valid instrument that is equivalent to payment is placed

CODING: Words stricken are deletions; words underlined are additions.
in the United States mail in a properly addressed, postpaid
envelope, or if not so posted, on the date of delivery. The
insurer shall not be obligated to pay any attorney's fees if
the insurer pays the claim within the time prescribed by this
subsection.

    (e) The applicable statute of limitation for an action
under this section shall be tolled for a period of 15 business
days by the mailing of the notice required by this subsection.

    (f) Any insurer making a general business practice of
not paying valid claims until receipt of the notice required
by this section is engaging in an unfair trade practice under
the insurance code.

    (12) CIVIL ACTION FOR INSURANCE FRAUD.--An insurer
shall have a cause of action against any person convicted of,
or who, regardless of adjudication of guilt, pleads guilty or
nolo contendere to insurance fraud under s. 817.234, patient
brokering under s. 817.505, or kickbacks under s. 456.054,
associated with a claim for personal injury protection
benefits in accordance with s. 627.736. An insurer prevailing
in an action brought under this subsection may recover
compensatory, consequential, and punitive damages subject to
the requirements and limitations of part II of chapter 768,
and attorney's fees and costs incurred in litigating a cause
of action against any person convicted of, or who, regardless
of adjudication of guilt, pleads guilty or nolo contendere to
insurance fraud under s. 817.234, patient brokering under s.
817.505, or kickbacks under s. 456.054, associated with a
claim for personal injury protection benefits in accordance
with s. 627.736.

CODING: Words stricken are deletions; words underlined are additions.
Section 7. Effective October 1, 2001, subsections (8) and (9) of section 817.234, Florida Statutes, are amended to read:

817.234 False and fraudulent insurance claims.--

(8) It is unlawful for any person, in his or her individual capacity or in his or her capacity as a public or private employee, or for any firm, corporation, partnership, or association, to solicit or cause to be solicited any business from a person involved in a motor vehicle accident by any means of communication other than advertising directed to the public in or about city receiving hospitals, city and county receiving hospitals, county hospitals, justice courts, or municipal courts, in any public institution, in any public place, upon any public street or highway, in or about private hospitals, sanitariums, or any private institution; or upon private property of any character whatsoever for the purpose of making motor vehicle tort claims or claims for personal injury protection benefits required by s. 627.736. Charges for any services rendered by a health care provider or attorney who violates this subsection in regard to the person for whom such services were rendered are noncompensable and unenforceable as a matter of law. Any person who violates the provisions of this subsection commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(9) It is unlawful for any attorney to solicit any business relating to the representation of a person involved in a motor vehicle accident for the purpose of filing a motor vehicle tort claim or a claim for personal injury protection benefits required by s. 627.736. The solicitation by advertising of any business by an attorney

CODING: Words stricken are deletions; words underlined are additions.
relating to the representation of a person injured in a specific motor vehicle accident is prohibited by this section. Any attorney who violates the provisions of this subsection commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. Whenever any circuit or special grievance committee acting under the jurisdiction of the Supreme Court finds probable cause to believe that an attorney is guilty of a violation of this section, such committee shall forward to the appropriate state attorney a copy of the finding of probable cause and the report being filed in the matter. This section shall not be interpreted to prohibit advertising by attorneys which does not entail a solicitation as described in this subsection and which is permitted by the rules regulating The Florida Bar as promulgated by the Florida Supreme Court.

Section 8. Effective October 1, 2001, paragraphs (c), (e), and (g) of subsection (3) of section 921.0022, Florida Statutes, are amended to read:

921.0022 Criminal Punishment Code; offense severity ranking chart.--

36 Section 9. Subsection (1) of section 324.021, Florida
37 Statutes, is amended to read:
38
CODING: Words stricken are deletions; words underlined are additions.
Definitions; minimum insurance required.--The following words and phrases when used in this chapter shall, for the purpose of this chapter, have the meanings respectively ascribed to them in this section, except in those instances where the context clearly indicates a different meaning:

(1) MOTOR VEHICLE.--Every self-propelled vehicle which is designed and required to be licensed for use upon a highway, including trailers and semitrailers designed for use with such vehicles, except traction engines, road rollers, farm tractors, power shovels, and well drillers, and every vehicle which is propelled by electric power obtained from overhead wires but not operated upon rails, but not including any bicycle or moped. However, the term "motor vehicle" shall not include any motor vehicle as defined in s. 627.732(3) when the owner of such vehicle has complied with the requirements of ss. 627.730-627.7405, inclusive, unless the provisions of s. 324.051 apply; and, in such case, the applicable proof of insurance provisions of s. 320.02 apply.

The sum of $100,000 is appropriated from the registration fees collected from clinics pursuant to section 456.0375, Florida Statutes, to the Department of Health and one-half of one full-time-equivalent position is authorized for the purposes of regulating medical clinics pursuant to section 456.0375, Florida Statutes. These funds shall be deposited into the Medical Quality Assurance Trust Fund.

Except as otherwise expressly provided in this act, this act shall take effect upon becoming a law.

CODING: Words stricken are deletions; words underlined are additions.
(2) Paragraphs (1)(a), and (c), and (7)(a) of section 627.736, Florida Statutes, as amended by section 6 of this act, and the deletion of paragraph (4)(f) and redesignation of paragraph (4)(g) as (4)(f) by section 6 of this act shall apply to policies issued new or renewed on or after October 1, 2001.

(3) Paragraphs (4)(b), (5)(b) and (c) and subsection (6) of section 627.736, Florida Statutes, as amended by this act and subsection (11) of section 627.736, Florida Statutes, shall apply to treatment and services occurring on or after October 1, 2001, except that subsection (11) of section 627.736, Florida Statutes, shall apply to actions filed on or after the effective date of this act with regard to a claim or amended claim or judgment for interest only which was not paid or was incorrectly calculated.

CODING: Words stricken are deletions; words underlined are additions.
